INTRODUCTION

HOW TO READ YOUR RELATIONSHIP COMPATIBILITY REPORT

When two people are involved in a relationship, they get to know each other more deeply over time. At first, everything is wonderful and friction is rare. Then, as time goes by, you get to know other sides of your partner and, undoubtedly, discover some personality traits you don't like, and other traits you appreciate. The more time you spend together, the more you get to know each other. But even if you consider your relationship almost perfect, you will certainly experience at least some areas of possible friction.

The purpose of this report is to point out the different personality traits you possess, and how compatible they are. This report will help you identify those properties that are, at least to some extent, not compatible, and suggest how to prevent them from damaging, or dominating, your relationship.

It is important to also keep in mind that you may have some qualities that, although positive, are not compatible, but that negative traits are almost always a cause for friction. Therefore, you may find that this Relationship Compatibility Report is at times more critical and perhaps somewhat harsh - unlike most readings of this kind. If you feel uncomfortable with that, remember that this report was designed to throw light on those aspects in your charts that need to be understood and recognized, because if they are not, they can do a lot more damage than a few critical remarks in a reading.

Teddy and Eileen, you will probably encounter some texts such as: "The compatibility aspect in this area of the chart is already included in other parts of this report, offset by other conditions or redundant".

This is done in order to offer a perspective that is as well balanced and clear as possible, and repeating certain traits would place too much emphasis on them.

Master numbers are also handled somewhat different in a relationship compatibility report. They are reduced to their single digit values, because it is in the single digit's archetype that those personality traits are represented. If a number that appears in your chart is 11, 22, or 33, and the compatibility refers to the numbers 2, 4, and 6 respectively, this is not a typo but an indicator that the compatibility is based on the single-digit sum of your Master number.

You can be in sales, advertising, publicity, promotion, politics or any profession that requires your communication skills and understanding of people. You likely lack discipline and order. You can also be impulsive, doing or expressing things you regret later.

Teddy, you are sensual and love to taste all of life. Sex, food and other sensory experiences are essential to the enjoyment of your life. You find it difficult to commit to one relationship, but once committed you can be as faithful as an old dog. You are multi-talented and possess a variety of diverse abilities. However, discipline and focus are the true keys to your success. Without these many of the tasks you begin will remain unfinished and you will fail to realize the true fruits of your abilities. With hard work and perseverance the sky is the limit. You may have been perceived as a wild child by adults and a source of concern by your family.

However, do not be obliged to hurry your choice of career. You are often a late-bloomer and need to experience life before you can truly know and commit to your heart's desire. Your challenge is to learn the true meaning of freedom.

Change is constant in your world requiring adaptability and courage. Try to maintain an exercise program, keep your body in shape and limber. The flexibility and durability of your body will promote security and confidence within you. You yearn for freedom and self-employment attracts you powerfully. Your challenge is to settle into one area to cultivate your ability sufficiently to earn a living and attain success. Once you find your niche the motivation and inspiration you supply others will bring you much in return, you will find your friends and colleagues supporting and promoting you on the road to success.

Teddy, your 14 Life Path contains a Karmic Debt. This 14 Karmic Debt arises from previous lifetimes during which human freedom has been abused. Those with a 14 Karmic Debt are forced to adapt to ever-changing circumstances and unexpected occurrences. There is an acute danger of falling victim to abuse of drugs, alcohol, and overindulgence in sensual pleasures, such as food and sex.

You must put the reins on yourself. Modesty in all affairs is crucial to overcoming this Karmic Debt.

Also important is the need to maintain order in life, and to establish one's own emotional stability. You must also be willing to adapt to the unexpected occurrences of life, all the while maintaining your focus on your goals and dreams. Flexibility and adaptability are at the very core of this struggle.

Orderliness in one's immediate environment is crucial to maintaining clarity and focus. Mental and emotional stability must be attained in order to avoid being thrown about by the changing fortunes in the external environment.

But the key to the 14 Karmic Debt is commitment. Life will resemble a roller coaster ride, but it will always travel in the right direction if one's heart is set on what is true and good. Set yourself a high goal, maintain order wherever possible in your life, avoid excessive sensory indulgence, and maintain faith. Above all, do not give up on your dreams and goals. Those with the 14 Karmic Debt will experience life to the fullest, and as long as they maintain a high dream, they will achieve success and great spiritual development.

Eileen, your Life Path is 18/9

Eileen, you are the philanthropist, humanitarian, socially conscious, and are deeply concerned about the state of the world. You have great compassion and idealism. You are a utopian, and will spend your life trying to realize some aspect of your utopian dream, sacrificing money, time, and energy for a better world. It is in giving that you will find much satisfaction.

You have a broad outlook on life. You tend to see the big picture, rather than the minute details. You naturally attract people from all walks of life who can fit into your larger plans and take over the areas you find uninteresting. The person with a 9 Life Path is rarely prejudiced or accepts social biases of people. Instead, they evaluate people on the basis of what they can do for the larger cause. They are the true egalitarian.

Eileen, you are imaginative and creative, especially at harmoniously arranging the beauty already potential in the environment. These abilities can lead you into such fields as interior decorating, landscape art, and photography. But because of your strong social consciousness, you can be an effective politician, lawyer, judge, minister, teacher, healer, and environmentalist. Vocations that require self-sacrifice and have a clear social impact are common among 9s.

You are often disappointed by the realities of life: the shortcomings of others, or of yourself. Somehow, you don't want to accept the imperfections of the world, a feeling that drives you constantly to try to improve upon it. But rather than be satisfied with your efforts, and those of others, you relentlessly push on, striving for greater accomplishments. You are often unsatisfied with the results. In short, you lack the perspective that would otherwise make it possible for you to enjoy life more fully, and accept its natural limitations.

You have a controlled enthusiasm and the ability to finish what you start.

A key to your personality is the necessity of sacrifice. You have to learn to let go of material possessions and relationships, the inherent lesson being that holding on too tightly to anything causes pain.

Money comes to you through mysterious or unexpected ways: inheritance; the benevolence of someone who was inspired by your work; or a lucky investment.

Conversely, if you pursue money for its own sake, after giving up on your larger dreams, you're likely to find yourself empty handed.

The most successful and satisfying road for a nine is giving; sharing and sacrificing for a larger goal, without expecting anything in return. Eileen, your greatest chance at success is to tie your personal fortunes to an endeavour that makes the world a better place for others. Very often, this turns into a highly successful and lucrative enterprise, providing amply for you and your family. Your life rests on the axiom that the more you give, the bigger your reward.

You are romantic, but your love is more impersonal. You tend to be focused on your dreams.

When you are not in harmony with your true nature, you can fall to moodiness, or become aloof, and withdrawn. You can become timid, uncertain, and ungrateful, putting the blame for your troubles on others or the world. You have a gift for examining your life objectively, and at some distance. Be honest with yourself. By openly facing your shortcomings, as well as your strengths, you develop equilibrium. You are thus able to love and better understand yourself and all of life.

Your Life Path's compatibility is 5 and 9

Teddy and Eileen, your Life Path numbers are the most important numbers in your charts, and, as such, their compatibility is very important to the well-being of your relationship.

There is very little the five and the nine have in common, Teddy and Eileen. In fact, there is no common ground at all. Imagine a social event where all the participants are pure archetypes based on the personalities of the cardinal numbers, you will never see the five and the nine huddled together, laughing and talking and sharing jokes. Like oil and water, the five and the nine won't mix.

They are so far apart that they would have a hard time keeping a conversation going, and an even harder time enjoying it - if at all possible...

Teddy and Eileen, the numbers found in this particular aspect of the chart are not responsible for the attraction between you. The fact that you have a relationship indicates strong compatibilities in other areas of the chart.

You will find that other numbers - as described elsewhere in this report - sustain your relationship. Teddy, your adventurous, dynamic, and freedom-loving spirit reflected in this part of your chart can be annoying and perceived as irresponsible by Eileen. Eileen, your idealism, your sense of duty and responsibility to mankind, your desire to "make a difference" in this world, appear superficial to that part of Teddy that is represented by this five.

Although there is not much to be done about this lack of compatibility, the relationship between a five and a nine is far from doomed. Other aspects of your personalities are obviously strongly connected and compatible, otherwise there would not be a relationship at all. So, how can you minimize the lack of compatibility between the five and the nine in this aspect of the chart?

For Eileen, it is important to know that idealism, self-righteousness, duty and responsibility will only impress Teddy if you don't take credit for your actions. Teddy distrusts idealism but admires results. Without limiting yourself Eileen, you will have to accept the fact that you are on your own when it comes to following your heart in these areas.

Similarly, Teddy, in Eileen's eyes you sometimes appear shallow and selfish, not because you are shallow and selfish, but because Eileen connects selflessness and inspired actions with depth and moral strength.

Teddy and Eileen, you will have to compromise and be diplomatic when it comes to these issues and explore your number combination in other aspects of the chart that certainly have sustained your relationship.

EXPRESSION

Your Expression number reveals your physical and mental constitution, the orientation or goal of your life. Some numerologists refer to this number as the Destiny, because it represents a lifelong target at which you are aiming. You work at fulfilling this potential every day of your life. Thus, the Expression number reveals your inner goal, the person you aim to be.

The Expression number reveals the talents, abilities, and shortcomings that were with you when you entered your human body. Your name, and the numbers derived from it, reveals your development, as well as the talents and issues you will be working with during this life.

For those for whom reincarnation is an accepted philosophy, the vibration of your full name can be seen as the totality of your personal evolution, the experiences, talents, and wisdom accumulated over many life times. Every experience, no matter how great or small, along this evolutionary path has influenced your development, and brought you to your current state of being.

The Expression is your being; the Life Path is the major lesson you are attempting to learn this time around. Time allows the gradual emergence of your personality. By reading the Expression number below, you will come to understand your basic nature and the abilities and issues inherent in your being.

Teddy, your Expression is 5

Teddy, you are a free spirit. You love change, adventure, and excitement. You love your freedom. Like a bird that needs its wings to live, you cannot exist without it. Freedom is the nucleus around which your life revolves. You need it for your very survival. By using freedom properly, you are able to explore and develop all of your varied talents. You will meet many types of people and travel great distances. Freedom is the atmosphere necessary for you to bring forth your many talents.

You are capable of doing almost anything, and probably quite well. Only by avoiding the imprisonment of illusory security are you able to bring forth your abilities.

Teddy, you are unusually adaptable. In fact, change is a blessing for you. In the same way, you need challenge and variety. You hate the routine of life; being stuck is a catastrophe for you. You become miserable when you are held back or held down.

The taste and texture and colour of life have an overpowering allure for you.

From childhood, you dream of seeing foreign lands, experiencing the sensual and the exotic. You want to try everything at least once in life. All of life is a playground for your senses.

But this can get you into trouble. You may fail to respect your natural limits, either biologically or socially. Any sort of boundary is anathema to you, which can blind you to your natural limits, and may cause you to overindulge your desire for food, sweets, alcohol, sex, and drugs.

Teddy, you are gifted in your ability to communicate. Your facility with words is almost limitless. You can be a salesman, politician, lawyer, public relations person, and minister. You also possess the talent to share and advance new ideas. You are talented with your hands. You love the new and untried. Your field is the frontier. You are a bit of a gambler, and often play for very high stakes.

All of this combines to give you a youthful enthusiasm, which others find infectious and attractive.

You like to work with others, but need to perform your task un-encumbered by the restraints of others.

Teddy, you are a clever and a quick thinker, but your thought processes -- like your life in general -- can be unorganized and scattered. You must stay grounded and focused if you want to be successful.

You fall in and out of love frequently, especially early in life. You are naturally sensual and commonly have a strong sex drive. These characteristics usually make for a lively and exciting love life, but you must guard against shallow feelings and relationships. Your challenge is to develop mature and lasting relationships.

Self-discipline and setting healthy limits is the key to your success in virtually every area of your life. Ironically, you will find that as you learn to set appropriate limits on yourself, you will develop more self-mastery and realize even greater freedom.

This is especially true when it comes to finishing what you start. Your tendency is to give up once you've got a project or job under control; you grow bored quickly. You start to fantasize about a new challenge, or the rewards of your great accomplishment, long before the work is finished.

The 5 Expression desires the whole world. You are aware that you have many talents that can bring much success. But that success depends on your willingness to choose certain areas to concentrate on, and to bring them to perfection.

Eileen, your Expression is 11/2

Eileen, yours is the most highly charged Expression number of all. You are like a lightning rod, attracting powerful ideas, intuitions, and even psychic information like unpredictable bolts.

You are a powerful presence without any awareness on your part of having personal power. You are a channel for higher vibrations. But in order to be emotionally and psychologically at peace, you must learn to control that flow of energy. You possess a bridge between the unconscious and the conscious.

The trouble is that the unconscious is an infinite resource, while consciousness by definition is a limited arena. The two are therefore at odds until they can learn to live in harmony with each other. This is where control comes in. Until you are able to control the flow of energy from this infinite source, you may feel like a victim of its whimsy, thrown about by emotional turmoil and nervous tensions.

Eileen, you have always sensed that you are different, but it was an indefinable feeling. You are enormously sensitive and aware, especially as a child. This made you vulnerable to all conflicts and painful situations. For most of your upbringing, however, you did not realize that other people did not possess the same sensitivity, nor did they see the same things you were seeing. This caused a great reservoir of emotion that was dammed up behind an inability to express your feelings, even to yourself. For this reason, most 11 Expressions have a difficult childhood. Your extreme sensitivity made you very shy as a child. This usually manifests in adulthood as hesitation and acute vulnerability. You are very careful about sharing your feelings with others and choosing your friends.

You compensated for your sense of separation in childhood by creating an elaborate fantasy world. You daydreamed more than other children. You have a lively imagination and even in adulthood have a hard time separating reality from fantasy.

Eileen, your challenge is to bring forth your primitive, earthy strength. You need to be grounded in order to deal with your lightning bolts. The more you are able to call upon your inherent human strength, the greater your capacity to take advantage of your extremely sensitive awareness.

Once this is accomplished, your antagonist becomes your benefactor.

You are highly emotional and dependent upon relationships. Emotionally, you go up and down with the fortunes of your love life.

You are idealistic, impractical, and at times disorderly. You are often unrealistic in your expectations.

Your reasons for doing things are usually born of a mixture of logic, emotion, and intuition, which can rarely be explained satisfactorily to your more rational associates.

The 11 Expression is the number most dependent upon other core numbers in your chart for insight into your vocation. The 11 charges every area it enters, but it needs a grounding vocation and discipline to be effective.

A balanced 11 is one of the most unique and impressive of all people. It is gifted with insight and illumination, which it can transmit to others. This makes you a natural teacher in whatever area you enter.

Your Expression's compatibility is 5 and 2

More than any other number in your chart, your Expression number reflects who you are as a person. Earlier, you read about the Life Path number and how important that number is in your chart. However, the Life Path number reflects “the path you walk on,” and should be seen more as a powerful influence than as a part of your personality makeup. Your Expression number on the other hand, reflects a deeper part of you. It is more difficult to overcome possible negative traits you may have recognized in yourself when they are found in this part of the chart, than when they are found under the Life Path description.

It can't be emphasized too much how important it is to realize that numbers in different areas of the chart affect you differently, even when it is the same number. Sometimes, you may read something that seems to directly contradict earlier statements. Yet, if you take the time to think about them carefully, you will probably recognize that you, as a human being, are extremely complex and full of the same contradictions. This is simply the way we are. You may be organized in one area of your life, while chaos rules in another area. You may be tactful and sensitive in one setting, and direct and confrontational in another situation.

Eileen and Teddy, this aspect of the chart requires some special attention since, as a rule of thumb, the two and the five found in the same part of the chart make for short-lived relationships. They simply do not understand each other. In fact, they do not really like each other.

The fact that you have a relationship means that other numbers are making up for the usual discordance that prevails between these two numbers. However, it is important to emphasize that the two and the five are only disharmonious when they are found in the same location in the chart. This disharmony does not exist when they are not in the same location. For example, a 2 Life Path can be quite harmonious with a 5 Heart's Desire.

That being said, we should concentrate on where the discordance comes from and how it can be deflected and rendered harmless.

To do that, let's think of Eileen as water and Teddy as fire. In a controlled environment, each of them has a purpose that can be used to benefit the other. But, when they occupy the same space, one is going to destroy the other. The fire makes the water evaporate, or the water will kill the fire.

The lesson here is simple. Don't get in each other's way.

Yours can be a strong, lifelong relationship, if you are both willing to accept the other person as is. So, don't ever try to change your partner in any way and make every effort to lead your respective lives in as independent environments as possible so that your individual purposes can be beneficial and advantageous to the other.

Eileen understands and respects the world of emotions, feelings, and intuitions and is fully aware of the fact that those are, in a very real sense, the bottom line. This is where life pays its dividends. No matter what else is happening in your life, payment comes in "how you feel", your happiness, your contentment as a human being.

Teddy relates to the world of dynamic action, impulsive decisions, and risky adventures. Keeping in perspective that this is only one aspect of the chart, Teddy thrives on energies causing motion, causing changes, causing excitement.

And Teddy will not be slowed down by something as banal as being careful, or by the possibility that someone might not be comfortable with the kind of turmoil Teddy generates.

The path you have chosen is not an easy one. You need time to develop, and you are unlikely to begin to fulfil your ambitions until after you have reached a certain level of maturity.

Whether you know it or not, you possess great power within your being. You were born with this power in a latent state, but on some level you were aware of it. Early in life, this power manifested itself as awkwardness and a discomfort inside of you. Your self - image has always been one of contradictory extremes: on one hand you sensed your uniqueness and potential; on the other you may have felt insecure and perhaps even inferior.

This paradox has caused waves of self-doubt and lack of confidence. But it also is a powerful generator of energy that, when combined with the higher characteristics of the 22, can become a dynamic and unrelenting force. In order to channel such great power, you need a noble goal for which to aim.

Teddy, you will probably try your hand at several different kinds of work before you rise to the challenge of your true ambitions.

You can be a great leader, inspiring and motivating with your vision and work ethic. Your ideas are so creative and superior that they inspire enthusiasm and sometimes even devotion among your co-workers.

You should be involved in large enterprises or governmental institutions. You have the organizational diplomatic skills sufficient to keep difficult and delicate projects on track.

Once you come into possession of your full power, there are many psychological and spiritual pitfalls to be faced. You can become arrogant and superior. You can become deluded into thinking that your judgment is beyond question, and that the advice and support of others is unnecessary. You may seek to control all power in a given enterprise. This dangerous and egocentric attitude is sometimes even extended to family members who you may seek to keep under your thumb.

Teddy, your challenge, once you have begun to use your true gifts, is to remain humble in the face of your significant accomplishments.

You perform best when your domestic foundation is stable and supportive; it is very important to have a partner who shares your dreams and has high degree of strength and independence to keep up with your drive.

Challenges somehow draw the best out of you. Your human qualities -- creativity, humility, understanding, and compassion -- increase with the level of your performance. Therefore, commitment to excellence is central to your success and inner development.

Eileen, your Heart's Desire is 10/1

Eileen, your overpowering need is to be independent and to direct your own life according to what you believe. Your dream is to become the leader of whatever field you enter. Whether it is in business, community, or in your general area of expertise, you are driven to be the reigning figure.

You have the courage and the confidence to lead others. You believe firmly that your judgment is preeminent over all others. This gives you the confidence to make bold decisions and carry them out, even when other lives are greatly affected by what you do. You rarely look back once you have made a decision.

You possess intelligence and wit. You are keenly insightful and are good at evaluating the abilities of others.

You are supremely individualistic. In your manner and dress, you like to project your own unique persona.

Consequently, you don't mind being controversial, and can even enjoy the attention and impact you have made on your surroundings.

Eileen, you dislike routines, or anything that limits your freedom and independence.

Whenever you commit to something you truly love, you are absolutely tenacious in your ability to endure difficulties and overcome obstacles. You are highly responsible; you hate passing the buck. You possess remarkable willpower and a strong drive to succeed.

You are always looking for innovative ways of doing things.

Because you seek to be the boss in any endeavour, you have a tendency to dominate others. If you are not careful, especially in dealing with your subordinates and family, you may become ruthless in your decisions and behavior. You can also fall victim to impatience and intolerance, particularly if you grow conceited or superior.

Eileen, you are the pioneer and the ground-breaker. You love the foreground, the hot-seat of responsibility. You have all the talents to succeed. As long as you maintain balance in your life, allowing others full expression of their thoughts and abilities, you will easily rise to the top of your chosen field and realize your ambitions.

Your Heart's Desire's compatibility is 4 and 1

Compatibility of the Heart's Desire numbers is very important in a relationship - few relationships last beyond the initial stage if the Heart's Desire numbers are not compatible.

This aspect of the chart reveals a combination that can be solid as a rock for a long time only to crash and burn in the blink of an eye. Stubborn, highly motivated, a self-starter and an unconventional individualist, Eileen is also adventurous and not afraid of trying new, even risky paths. Strongly driven, the number one doesn't usually give a hoot about other people's expectations. So, Eileen does whatever Eileen wants to do and will fight anyone and anything trying to get in the way. Teddy is no less gifted in the areas of persistence and ambition. However, the number four stands for everything that is sturdy, reliable, patient, responsible, conventional, detail-oriented and "doing things the way they should be done." And this is precisely where some possibly dangerous pitfalls for this relationship lie. Teddy has both feet firmly on the ground. Undeterred by the prospect of having to take care of things that might be boring and routine, Teddy will do the job, no matter what. Teddy will not step aside just because something is difficult or may take a lot of time. The four marches on until the job is done. Period. Eileen, on the other hand, does not have that kind of patience. When the forces are no longer in Eileen's favour, it's time for war. "Confront the challenges head on with a 'damn the consequences' attitude" - this is Eileen's dilemma. This can be a thriving relationship as long as Eileen doesn't start on a path of unknowns and risky, questionable results. However, that will unavoidably happen and Teddy will at times be seen as a stick in the mud, a source of frustration for Eileen. When this kind of situation becomes overwhelming, it will almost certainly bring this relationship to and end.

On the other hand, as long as Eileen is able to respect Teddy's need for a secure, perhaps even predictable, lifestyle, and Teddy can understand Eileen's need to try new avenues, take risks, occasionally venture out into unknown territories, the relationship can endure.

PERSONALITY

Your Personality number is derived from the consonants of your full name at birth. Your Personality is like a narrow entrance hall to the great room that is your true nature. It is those aspects that you feel comfortable sharing with people at the outset of a relationship. With time and trust, you invite others into the deeper aspects of your nature; you reveal more of who you really are, in effect, your Heart's Desire, Expression, and so on.

Your Personality number often serves as a censoring device, both in terms of what you send out, as well as what you allow to approach. It discriminates in the kinds of people and information you let enter your heart and mind. For this reason, your Personality is usually much more narrow and protective in its definition than the real you. It can screen out some of what you do not want to deal with -- people or situations -- but it also welcomes those things that immediately relate to your inner nature.

Your Personality number also indicates how others perceive you. No one can be objective about himself or herself. Even our closest friends and relatives have trouble describing how they see us.

Teddy and Eileen, your Personality is 37/1

Teddy and Eileen, you both have the same number in this part of the chart. The following text therefore applies to both of you.

Teddy, you radiate with a dynamic and efficient energy. You appear controlled and capable. You value courage and effort in the face of difficulties and these qualities show. Others can sense that you will not be pushed around.

You should dress in a dignified and correct manner, caring for the details of your appearance. While you may spend most of your time in staid business dress or suits, bright and cheerful colours work well for you. You are fashionable, but have your own style.

Your appearance suffers more than most people when you are overweight. Overweight directly contradicts the type of personality you are trying to project. Straight lines and square corners accent your good physique and enhance your appearance as a leader.

Teddy, you are recognized as a pioneer; you have your own ideas of how to do things. You are a risk-taker, original and highly creative.

You should be wary of appearing too aggressive or unreceptive. You can intimidate people if you don't soften your exterior somewhat. By doing this, you will attract less confident people who will be more willing to approach you with their thoughts and suggestions.

Your Personality's compatibility is 1

Quickly recognized when two people first meet, not many relationships even get started unless the Personality numbers are compatible.

Teddy and Eileen, you two make up a challenging and rare combination. Although most couples keep looking for things they may have in common, in this particular case, this does not always translate into an advantage. Yours is a relationship of extremes, with powerful feelings and sometimes almost uncontrollable urges by the partners to "confront" each other. Both of you are headstrong, competitive people who will not play second fiddle to anyone. You refuse to surrender your leadership qualities, even to someone you are attracted to. And two people, both with a 1 in this aspect of the chart, don't often provide much room for attraction in their lives because, even when meeting the first time, their competitive nature will get in the way of a simple loving and giving relationship. Instead, they recognize the need to be "king of the mountain" in the other persona and, like two bulls, will start butting heads to gain the upper hand.

On the other hand, when two people with this kind of driving forces meet and do get along, the source of this attraction is powerful enough to overcome their mutual competitive streaks, which makes their relationship a promising one.

It is important to look at other compatible aspects of this relationship in this report in order to understand where the love and care is supported by compatible, perhaps complementing, personality traits.

If this relationship has existed for some time, you have obviously found ways to get around the difficulties of two equally strong and individualistic personalities. If this relationship is relatively new, you will have to learn to accept an occasional second place and discover the powers of humility and sensitivity.

Be particularly careful not to let verbal arguments escalate. Both of you are capable of confrontation when the need arises. And the possibility of aggression, and, in extreme cases, even violence, does exist in your combination.

Instead, both of you have to learn to step back and take a breather. Think twice, even three times if you can, before speaking words you might later regret.

PERSONAL YEARS

Your Personal Year number is a strong indication of the trends and circumstances you will experience during the year ahead. Your Personal Year cycles are based on the Universal Year cycles and therefore run concurrent with the calendar year. Transit and Essence cycles are based on the letters of your name and run from birth date to birth date.

There are nine personal year numbers, which makes up a complete Epicycle. Each Epicycle reveals the progression or evolution of a specific part of your growth. Teddy, your progress along this Epicycle can be seen very logically, from the infancy or beginning of a growth period in your life, to the conclusion or culmination of that process. The 1 personal year indicates your first steps in a new direction. The years that follow indicate your progress along this path, concluding with your 9 Personal Year, which completes the cycle. Below is a description of your current Personal Year. It indicates where you are on the 9 year Epicycle.

The Personal Years form the building steps that mark your progress through life.

Teddy, your Personal Year for 1959 is 3

This is a year of expansion and personal growth, Teddy. It is a time of heightened personal expression. Creativity and artistic talent come to the forefront. You are light-hearted and drawn to all kinds of social events.

More than most other years, you will entertain and be entertained. You meet new and exciting people. It is a time to appreciate all that you have.

You are highly dynamic and charismatic. Your challenge is to avoid scattering your energies. You have a rare opportunity to bring forth new and creative ideas. But that requires discipline and focus.

It is easy to be optimistic and enthusiastic this year and this may result in speeding up your projects. Yet there will be delays and disappointments unless your enthusiasm is based upon the reality of work and concentration.

This is a pleasant time in which friendship is enjoyed and love shared easily. This is often a good financial year, particularly if your creativity is well directed. Surround yourself with upbeat and positive people.

Teddy, you may travel more than usual, which in all likelihood will be filled with exciting people and pleasure.

Your Personal Year's compatibility for 1959 is 3 and 1

Compatibility is as important with the cycles as it is with character traits. It is possible for a relationship between two people with otherwise very compatible charts to break down as a result of encountering one or more incompatible cycles. However, it is much easier to overcome or avoid possible pitfalls resulting from incompatible cycles than from incompatible personality traits.

Eileen and Teddy, not only is this one of the most compatible cycles but it also shows that your cycles are usually compatible in nature. A gap of two will always be maintained, which, as a rule of thumb, is a good sign. Next time, your cycles will be two and four, the period after that three and five, and so forth.

For this period, Eileen, you are like someone who just awoke from a long rest, had a cup of coffee, and are now rearing to go. Your energy level is high. You feel strong and capable and don't want to be held back by anyone or anything. Teddy also experiences a dynamic time, but with less focus and more play. Teddy's energy is more directed towards creativity, self-expression and relaxation.

The only possible discordance with this combination of cycles usually lies in Eileen's perception of Teddy's behaviour as lacking responsibility. Teddy is not in the mood to take anything very serious, which may become a source of irritation for Eileen. Eileen, you need to accept the fact that this period represents somewhat of a break – as matter of fact, a necessary break - for Teddy.
